

# COMMUNITY RESOURCE FAIR FOR FAMILIES JUNE 11 & JULY 16

## The Community Resource Fair for Families

Will be in the East side of the parking lot at John Evans Head Start during the screenings for your child. Several community agencies will be available to provide services and information for families.

- The Mobile Medical Unit from the Weld County Department of Public Health and Environment will be providing free health screenings for cholesterol, blood sugar, blood pressure, height/weight and BMI for adults. You must fast for at least 8 hours before the blood draw for cholesterol and blood sugar.
- **Free lead screenings for children** provided by the Mobile Medical Unit
- Outdoor Rx information
- Tobacco/vaping cessation information
- Diabetes Prevention Program
- EFNEP (Expanded Food and Nutrition Education Program)
- School Community Wellness Program - information and sign-up for Text2LiveHealthy
- WIC enrollment information.
